

International Conference on Ecological Sciences

SPONSORSHIP OPPORTUNITIES

By becoming a partner of this major event, you participate in the dissemination and sharing of scientific knowledge while increasing the exposure of your company or institution.

The international audience of the conference and the quality of the participants from all fields of ecology will ensure a high visibility of our sponsors through a diversity of opportunities.

We offer you a series of sponsorship and exhibition options that will give you an exceptional opportunity to reach our audience and promote your image during the conference.

International Conference on Ecological Sciences

SPONSORSHIP OPPORTUNITIES

SYMPOSIUM SPONSORSHIP

We offer the opportunity to companies working in the environment, research institutes or local communities to sponsor a symposium and then:

- to benefit from special communications before and during the conference,
- to help bridge the gap between the research community and stakeholders that may be interested in specific results coming from applied or basic research.

Note: a symposium may benefit from several sponsors and funds will be used to offer a reduced entrance fee to speakers within the symposium and to help the overall organization in order to reduce the registration fees for all attendees

EXHIBITION

Exhibition space (3 days)

Includes: 2 exhibitor registrations with lunches, a 6m² furnished exhibition space

Note: we have space for up to 15 stands

Note: for exhibitors, Gala Dinner tickets must be purchased as an extra

OTHER OPPORTUNITIES

Have an idea for a sponsorship type not listed above?
Please do not hesitate to contact us to discuss customized packages

Our organisation team is ready to work with you to find the optimal formula adapted to your requirements in terms of communication and budget
